Par Becky Wolff : Rallidae! Learn About Rallidae and Enjoy Colorful Pictures - Look and Learn! (50+ Photos of Rallidae) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rallidae! Learn About Rallidae and Enjoy Colorful Pictures - Look and Learn! (50+ Photos of Rallidae) (English Edition):

Commentaires clientsCommentaires clients les plus utiles0 internautes sur 0 ont trouvé ce commentaire utile. livre numérique d'initiation incomplet mais bien illustréPar 2nimmlivre numérique récent (2012) sur les rallidés du monde entier (râles, foulques etc.); essentiellement composé de photos couleur (50 environ) commentées d'une courte phrase abordant des sujets aussi variés que le poids, la taille, les différentes espèces et de nombreux aspects de l'histoire naturelle de ces oiseaux particulièrement intéressants; sans atteindre à la rigueur d'une monographie scientifique ce livre d'initiation ravira tous les ornithologues et naturalistes amateurs ou néophytes souhaitant découvrir ces espèces en attendant un ouvrage plus exhaustif et complet
